

ADAPTIVE BOATS FOR SALE

After the Paralympic Games in Beijing the boats used during the competition will be available for purchase. All boats are new and delivered from Hangzhou Great Eagle Boat Company Ltd., trade mark WINTECH. After the competition the boats will be taken back to the factory for control and shipped from there.

Prices for boats delivered in Europe (Hamburg)* are as follows:

Adaptive singles (1X)

€ 2523 VAT not included

Fixed adaptive seat with adjustable seat tracks
Complete with pontoons

Adaptive doubles (2X)

€ 4037 VAT not included

Fixed adaptive seat with adjustable seat tracks

Coxed four (4+)

€ 8 876 VAT not included

Stern coxswain; built to FISA minimum weight: 52 kg

Aluminium wing riggers (can be delivered with wing riggers for sculling)

The boats are of a “two piece” construction to make them more economical to transport.

Interested federations can contact **Terry O’Neill** directly at TerryO@concept2.co.uk.

Alternatively, federation representatives at the Paralympic Games can speak to **Colleen Orsmund** in the FISA Office at the Shunyi Olympic Rowing Canoeing Park.

** For prices for delivery to countries outside of Europe, please contact Terry O’Neill.*
